Section 1: Zero Waste

1. [What is Zero Waste? – GRRN](#)
2. [Beyond Recycling! Zero Waste ... Or Darn Near](#)
3. [Resolution # 79774 Adopting Zero Waste – City of Oakland, CA
\(Resolution adopting a Zero Waste Goal by 2020 for the City of Oakland and directing the public works agency in concert with the Mayor’s office to develop a Zero Waste Strategic Plan to Achieve the City’s Zero Waste Goal\)](#)
4. [Zero Waste Strategic Plan – City of Oakland Public Works Agency \(November 28, 2006\)](#)
5. [A Resolution establishing new recycling goals for the City of Seattle and providing direction on waste –reduction programs and solid waste facilities – City of Seattle, WA \(July 16, 2007\)](#)
6. [Administrative Rule # SPU-DR-01-04 – City of Seattle, WA. Prohibition of Recyclables in Garbage](#)
7. [Zero Waste Resolution – Zero Waste San Diego](#)
8. [Zero Waste – Blueprint for Sustainability – Zero Waste San Diego](#)
9. [Resolution proclaiming “America Recycles Day” and encouraging a Zero Waste long-term goal for Santa Cruz County – County of Santa Cruz – State of California – GRRN](#)
10. [Zero Waste Commission – City of Berkeley](#)
11. [Resolution adopting a goal of 75% landfill diversion goal – City and County of San Francisco](#)
12. [Strategic Plan 2007-2009 – Department of the Environment City and County of San Francisco](#)
13. [Resolution adopting 2020 as zero waste target date – City of San Francisco](#)
14. [Toward Zero Waste – Waste Management Plan 2006 – Christ Church, New Zealand](#)
15. [Waste Management Strategy for Canberra. Canberra – Australian Capital Territory](#)
16. [Action Plan – No Waste by 2010 – Turning waste into resources. Australian Capitol Territory](#)
17. [The Next Step in the No Waste Strategy – Australian Capital Territory](#)

Section 2: Residential Organics Recycling

1. [Composting and Climate Change – Eureka Recycling Minneapolis, MN](#)
2. [Making Composting Preferable to Disposal – Hennepin County, MN](#)
3. [Making Composting Preferable to Disposal – Proposed Statutory Changes – Minnesota](#)
4. [Resolution No. 63,556-N.S – Contract : Hauling and Processing Compostable Materials – Berkeley City Council \(1-16-2007\)](#)
5. [Staff Report – SSO Public Facility Business Plan – Recommendations of the planning Study for Expanded Public SSO Processing Capacity. – Toronto, CA](#)
6. [Source Separated MSW Composting in the U.S. - Biocycle](#)
7. [Model Study – Food Waste Recovery: A Model for Local Government Recycling and Waste Reduction – CIWMB Publications](#)
8. [Model Study - Organics Options – Opportunities for Local Government Reuse, Recycling, and Composting. – CIWMB](#)
9. [Alameda County Waste management Authority – Castro Valley Food Scrap Recycling Pilot Program – Prepared by Evans McDonough Co.](#)

Section 3: Unit-Based Pricing for Trash (Pay as You Throw)

1. [Boulder, CO – Ordinance No. 7078 \(Unit-based pricing\)](#)
2. [Pay as You Throw in the U.S. – EPA 2006 Analyses and Report](#)
3. [Pay as You Throw in the U.S. – EPA 2006 Presentation](#)

Section 4: Business Recycling

1. [City Policy on Plastic Packaging - Saint Paul, MN \(April 03, 2008\)](#)
2. [San Francisco Commercial Food and Organics Recycling Case Study - California Integrated Waste Management \(November 01, 2007\)](#)
3. [Business Recycling Plans and Policies - California Integrated Waste Management \(September 2001\)](#)
4. [Western Lake Superior – Solid Waste Ordinances \(August 14, 2006\)](#)

Section 5: Public Space Recycling

1. [NYC –Public Space Recycling Highlights \(2007\)](#)
2. [NYC –Public Space Recycling Results \(2007\)](#)
3. [NYC –Public Space Recycling Appendix I: Public Space Recycling in Other Cities \(2007\)](#)
4. [NYC –Public Space Recycling Appendix II: Site Profiles \(2007\)](#)

Section 6: Event Recycling at City Events

1. [Recycling at Special Events – California Integrated Waste Management Board \(July 2002\)](#)
2. [California - Bill Number: AB 2176 \(Large Venue and Large Event Recycling\)](#)

Section 7: School, College, University Recycling and Reuse

1. [College, university, and correctional facility composting: Biocycle Summarizes Biocycle's survey of food residuals composting activity in United States institutions](#)
2. [School/Campus Recycling Program- Mississippi Department of Environmental Quality. Outlines how to create a school recycling program](#)
3. [Model Municipal Source Separation and Recycling Ordinance. New Jersey.](#)
4. [Developing a School Waste Reduction and Recycling Program - Pennsylvania Department of Environmental Protection. Planning and developing a school recycling program: education, coordinators, etc.](#)
5. [School Recycling - Pennsylvania Department of Environmental Protection. Steps for successful school recycling](#)
6. [Waste Management and Mandatory Recycling Ordinance - Central Vermont Solid Waste Management District. Ordinance regarding hauler regulations, definitions, and enforcement of recycling in Vermont](#)
7. [Mandatory Recycling Ordinance No. 5-08 - Lincoln Park, New Jersey. Recycling ordinance outlining the inclusion of all residents, businesses and institutions.](#)
8. [Recycling Ordinance - Derry, New Hampshire. Establishes mandatory recycling including residents, businesses and institutions.](#)

Section 8: Sustainable Purchasing for Cities

1. [Resolution No. 36468 - Portland, OR. Resolution to establish a Sustainable City Government Partnership.](#)
2. [Sustainable Purchasing \(2003\) - Seattle, WA. Defines guidelines for purchasing sustainable materials and supplies.](#)
3. [Seattle Municipal Code - Seattle, WA. Outlines regulations regarding Seattle's Recycled Content Product Procurement Program.](#)
4. [Codes & Resolutions on Environmental Purchasing- Seattle, WA. List of WA laws and regulations regarding environmental purchasing.](#)
5. [City of Seattle Resolution Number 28556 - Seattle, WA. Resolution to increase the procurement of recycled content products and recyclable products.](#)
6. [City of Seattle Resolution Number 28737 - Seattle WA. Resolution to increase the procurement of recycled content products and recyclable products.](#)
7. [City of Seattle Resolution Number 29268 - Seattle, WA. Resolution adopting strategy for further reduction of the city's use of hazardous products or polluting products.](#)
8. [Recycled Product Procurement - State of Washington. Definitions, purpose, education, etc of purchasing recycled products](#)

Section 9: Construction and Demolition

1. [C & D Recycling Plans and Policies - California Integrated Waste Management Board. A model for local government recycling and waste reduction during construction and demolition](#)
2. [Construction and Demolition Debris Salvage and Recycling - City of Berkeley. Recommendation from regarding increased C&D recycling instead of landfilling.](#)

3. [Ordinance No. 506- Atherton, CA. Ordinance requiring diversion of C&D debris. California Integrated Waste Management Board.](#)
4. [Job Site Source Separation - Instructions for preparing materials for disposal on C&D sites. California Integrated Waste Management Board.](#)
5. [Ordinance No. 27-06 – San Francisco, CA. Ordinance requiring C&D debris recovery.](#)
6. [Construction and Demolition Materials Recycling Policy - Fortuna, CA. Recommendation to reuse or recycle materials generated by C&D projects](#)
7. [Sample C&D Ordinance Language – Sacramento, CA. California Integrated Waste Management Board.](#)
8. [Construction and Demolition Debris Waste Reduction and Recycling Requirements - Oakland, CA. Definitions, transportation of C&D, regulations](#)
9. [Contractor’s Guide to the Construction and Demolition Debris Waste Management Plan - Half Moon Bay Recycling.](#)

Section 10: Green Collar Jobs

1. [Green jobs will clean up the economy, communities - Article on the Green Jobs Act of 2007 and efforts in the green job industry. CnetNews.](#)
2. [Green Jobs Act of 2007 - United States Congress. Amends Workforce Investment Act of 1998 to included green job emphasis.](#)

Section 11: Multifamily Recycling

1. [Explore Multifamily Recycling: Tools for the Voyage, Eureka Recycling \(2004\). A toolkit for recycling coordinators who manage multifamily recycling programs. Includes definitions and examples of how to legally structure multifamily recycling programs.](#)
2. [Recycling Space Allocation Guide. California Environmental Protection Agency Integrated Waste Management Board \(1993\). Overview of the issues involved in writing a recycling space allocation ordinance.](#)
3. [California Solid Waste Reuse and Recycling Access Act of 1991, Public Resources Code Sections 42900-42901 and Code Sections 42910-42912. Defines adequate areas for collecting and loading recyclable materials in development projects.](#)
4. [Trash and Recycling Enclosures, Design Consideration Guidance Document, Fort Collins, Colorado, \(2004\). Includes ordinance language for development standards in the City Land Use Code regarding recycling and actual plans for trash and recycling enclosures.](#)
5. [Recycling Guidelines for Multifamily Housing Design, StopWaste.org, Alameda County, CA. Guidelines and diagrams, to help designers of multifamily buildings plan for recycling collection.](#)

Section 12: Public Collection

1. [Final Report – Study of Public Collection – Ramsey and Washington Counties, Minnesota](#)
